A Bill

This is a Bill to appropriate \$3,530 from the Non-Recurring Reserve Fund for the rehabilitation of the room MATH 111. This room is to be used as a facility for group math tutoring and independent study.

Whereas, it is one of the purposes of the Student Government to support and help provide a good learning environment in the UNO community,

Whereas, the low enrollment rates post-Katrina have affected negatively on the budget of many departments inside this institution,

Whereas, the Math Tutor Center gives a valuable service to numerous students from many different courses,

Whereas, the Math Tutor Center often is full with students and the facility it currently occupies often does not suffice to hold all the people

Whereas, the MATH 111 room has been in abandonment for more than two years now and would be an excellent place for independent study (for which there is no place currently) and math group tutoring (which is presently done on the landing of the second floor stairs of the Math building);

**BE IT ENACTED BY THE UNIVERSITY OF NEW ORLEANS
STUDENT GOVERNMENT THAT:**

- i. \$ 3,530 is appropriated from the Non-Recurring Reserve Fund to aid in the rehabilitation of the room MATH 111
- ii. All unused funds shall revert back to the SG at the end of the current fiscal year.
- iii. See attached budget.
